Subject: table of prior SVOC data?

Hi Tasya. In the attached presentation you gave us in Aug 2021, slide 7 shows locations of wells sampled for SVOCs in 2015. Do you have those results tabulated that you can send me (or point me to)? To answer about Aaron's suggestion that we do full SVOCs in MW-41 and MW-53, I'm trying to understand the reasoning for not choosing those locations initially for data gaps analysis. I understand that the reporting limits were higher back then, but it would be helpful anyway to see it.

Thanks,
Janette
